MERU, KENYA

INTERNAL MEMO

TO: THE VICE CHANCELLOR

THRO; DEPUTY VICE CHANCELLOR (ASA)

THRO; REGISTRA (ASA)

THRO' DEAN OF STUDENTS

FROM: SAMU

DATE: 14 /09/2020

REF NO: SAMU/10/203/20

RE: ONCOMING ONLINE EXAMINATION

The above subject matter refers;

The end of the current Academic semester is coming to an end, the University has been using the blended learning due to COVID-19 pandemic .Since it has been imperative for many of the students to move forward in achieving our goals with integrity and quality, summing up this Academic semester is not paramount.

Following a consultative discussion with all SAMU Delegates and SAMU Council members, we have anonymously agreed to have the planned online exams be **SUSPENDED/CANCELLED** or to be carried forward to later dates and to be administered physically once the education system returns to normalcy. This examination comes with several challenges that we beseech your office to consider;

-Network coverage and access

- Laptops, smartphones and web cameras accessibility
- Power shortages and access
- Tuition fees clearance
- Quality of the services offered online to the students

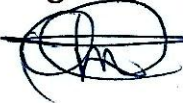

RECOMMENDATIONS

The University Management to officially communicate to all students suspending online exams before **Wednesday 16th September 2020**.

Examinations for the Academic year 2019/2020 be administered face - to - face or rather physically once the Academic system returns to normalcy.

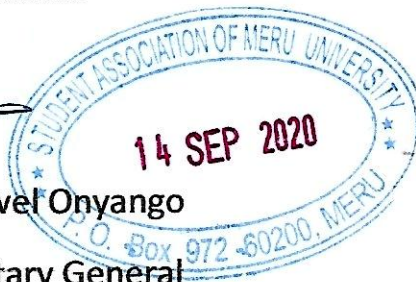

Appreciating your efforts is to benefit all students, we look forward for your positive feedback.

Regards,

Otieno Maxwell Onyango

SAMU Secretary General
